## Allergy Concerns

Please inform your server of any specific food allergies or special dietary needs so that we may assist you in your selections.

Our chefs are trained on the importance of preventing cross contamination. While we take every precaution to ensure that cross contamination of ingredients does not occur, these items are being prepared in a kitchen that also processes foods containing wheat, milk, soy, tree nuts, and seeds. Due to these circumstances, we are unable to guarantee that any menu item can be completely free of allergens.

**\*CONSUMING RAW OR UNDERCOOKED MEAT, SEAFOOD, EGGS OR POULTRY MAY BE HAZARDOUS TO YOUR HEALTH.**

Items that are naturally gluten free or can be made gluten free upon request.
